COMPASSION EDUCATION ILLUMINATION

WHAT IS YOUR DALEEEL?

At Madina Institute, our approach is evidence-based dailee. Statements must be substantiated with authentic evidence (priority of the Book and the authentic Sunnah). Stretch your mind, and soften your heart. Our lecturers not only explain the meaning and foundation of the classical texts and other curriculum material but also convey the relevance of it in today’s context. Sitting in our lecture rooms, you will find your horizons broadening and your heart yearning for more.
The Madina Methodology

At Madina Institute, we believe in, and practice the methodology of the Ahlus Sunnah Wal Jamaa in Usul al Fiqh, Hadith Sciences and Ihsan (Tazkiyah, purification of the heart). Our Theological Methodology and Approach (Manhaj) is the absolute prioritization of the Qur’an and Authentic Sunnah over everything else, followed by Ijma’ and the textually-based Qiyaas.

Our teaching methodology is unique in its process to teach students the variety of viewpoints within Ahlus Sunnah Wal Jamaa. This approach provides students with an unbiased understanding of many schools of thought. At Madina, we believe in providing knowledge and information, not indoctrinating a point of view.

This results in a well-rounded seeker of knowledge. We believe in bringing the best scholars to our students. Each student has the opportunity to interact with, and study under scholars in a variety of fields from all across the world.

"At Madina Institute we prioritize the Qur’an and Authentic Sunnah over everything else"
